

REVISION OF MONETARY AND FINANCIAL STATISTICS

Statistics of some accounts revised starting from January 2008, based on the detailed reports with sectorial classification received from banks, prepared as a result of the update of accounting batch materials. Please refer to Table 1 for revision of consolidated balance sheets of banks and Table 2 for revision of monthly statistical bulletin.

Table 1. Revision of consolidated balance sheets of banks (Liabilities of banks, *in MNT billions*)

By the end of period	BEFORE REVISION				AFTER REVISION				REVISION
