

### Revisions in the statistical bulletin

Based on examination of bank loan classification, adjustments were made on bank loans which resulted in changes in Statistical bulletin in February 2017. Bank loans were reclassified to individuals, private sector and non-profit organizational loans but there were no changes in loans outstanding.

The increase of 150 billion tugrug in Financial Corporations individual loans outstanding resulted from change in statistics update in Financial Regulatory Committee and Mongolian Mortgage Corporation HFC LLC. The total changes were made in the following tables:
